Target Market

Great Southern Bank savings products are designed for customers who want to invest money and earn interest while saving towards their future financial goals. We offer a range of savings products to suit different types of customers and their financial situation, objectives, and needs. Our savings products are not suitable for customers seeking to offset home loan interest.

Home Saver Account

The Home Saver is suitable for customers saving towards a home deposit or another large purchase, who want to receive a higher rate of interest by depositing their salary into a linked Everyday Edge Account each month and make regular transactions from their Everyday Edge Account.

This product is suitable for people who:

- ✓ hold the Great Southern Bank Everyday Edge Account and want to keep their savings funds in a separate Great Southern Bank savings account.
- ✓ are likely to deposit at least \$2,000 into their Everyday Edge Account and make at least 5 settled purchases on that Everyday Edge Account each month.
- ✓ are comfortable with managing the requirements of the Everyday Edge Account to receive a bonus interest rate each month.
- ✓ do not require the certainty of fixed interest earnings each month. Interest earned may vary due to factors including fluctuations in the interest rate from time to time or not qualifying for the bonus interest rate in some months.
- ✓ want to continue to add to their savings funds.
- ✓ may need to access their savings from time to time and wish to still be able to earn a higher rate of interest.
