- Our business relationships
- How we are paid
- Our dispute resolution procedures and how you can access them

About Great Southern Bank

We’re Australia’s largest customer-owned financial institution, providing an extensive range of everyday banking products and services.

We’re 100% owned by our customers so instead of paying dividends, our profits go back to customers as better rates and lower fees.

GSB is an Authorised Deposit-taking Institution (ADI) supervised by the Australian Prudential Regulation Authority (APRA) under the Banking Act 1959. GSB is also supervised by the Australian Securities & Investments Commission (ASIC) under the Corporations Act 2001 and has been granted an Australian Financial Services Licence. We also hold an Australian Credit Licence under which we provide credit-related products and services which are outlined in our Credit Guide.

Product Disclosure Statements

We will also give you a Product Disclosure Statement (PDS) if we offer you or we recommend that you acquire a particular financial product. Before making a decision about whether to acquire the product, you should carefully read the PDS. The PDS will contain information about the particular product, including the costs, benefits and features. This information will help you to decide whether to acquire the product.

Our products and services

We are authorised under our Australian Financial Services Licence to advise on, and deal in, the following financial products and services:

Deposit products

Transaction, savings and term deposit accounts.

Payment facilities

Visa Debit Cards and eftpos Debit Card, cheque books, BPAY, direct debits, direct credits, periodical payments, telephone and internet banking, and telegraphic transfers.

Insurance

Insurance products including travel, home, motor vehicle, landlord, boat, caravan, commercial, life, income protection and consumer credit insurance (loan repayment insurance).

Giving us instructions

You can generally give us instructions in person by contacting us through the contact details set out in this FSG. In some instances, you can also give us instructions through internet banking. Some products and services may have special requirements about how you can give us instructions. You should refer to the relevant PDS in those circumstances.

Our business relationships and associations

We generally provide the financial services detailed in this FSG on our own behalf under our Australian Financial Services Licence. However, there are a number of products which are issued by third parties and, in those instances, we act as a referrer, distributor or an agent for the third party product issuer as outlined in the table below:

| Product group | Product issuer |
|--|--|
| Loan repayment insurance | Credicorp Insurance Pty Ltd and St Andrew's Life Insurance Pty Ltd |
| Ezicover Life and Income Protection Insurance | Zurich Australia Limited |
| General insurance (e.g. home or car insurance) | Allianz Australia Insurance Limited |
| Boat Insurance | Club Marine Limited as agent for the insurer Allianz Australia Insurance Limited |
| Travel insurance | Insurance Australia Limited trading as CGU Insurance |

Credicorp Insurance Pty Ltd ("Credicorp") is our wholly-owned subsidiary. We do not guarantee or otherwise support any of its financial or other obligations. Any claims payable under any policies issued by Credicorp are solely payable by Credicorp.

Our fees and other rewards

We do not charge fees when we provide any financial product advice to you. However, we may charge you transaction fees or other fees when you use our non-cash payment facilities. The applicable fees are detailed in our Schedule of Fees brochure.

Our employees may receive performance incentives measured via a 'balanced scorecard'. Scorecards may include sales targets where products are appropriate for customers, and also include quality and customer service targets. Compliance is a critical component of these scorecards and we do not market products to customers who fall outside the applicable 'target market determinations'.

We also receive commission from the third parties we refer you to, or on behalf of which we distribute products, as identified above. Commission is paid as follows:

| Product group | Commission |
|--|---|
| Loan repayment insurance | 20% of the base written premium paid |
| Ezicover Life and Income Protection Insurance | 20% of the premium paid plus GST. |
| General insurance <ul style="list-style-type: none">home and/or contentslandlordsmotor vehicle | 0% to 21% of the base written premium. In addition, we will receive additional commission upon achievement of a certain level of profitability. |
| General insurance <ul style="list-style-type: none">commercialcaravan and trailer | Between 10% and 15% of the base written premium |
| Boat Insurance | Between 10% and 20% of the base written premium |
| Travel insurance | 0% to 25% of the base written premium |

Base written premium means the premium payable by you, net of GSB's administration fees, fire services levies, GST, stamp duties and other statutory charges.

Commission payments are generally received by us on a monthly, quarterly or annual basis.

We may also receive a marketing allowance from Allianz Australia Limited and CGU Insurance to conduct marketing campaigns from time to time. We may also receive from Allianz Australia Limited an upfront and ongoing payment for exclusive supply.

Compensation arrangements

As an APRA regulated entity, we are exempt from the requirement to have compensation arrangements as set out in section 912B of the Corporations Act 2001. However, we hold professional indemnity insurance in respect of the financial services we provide.
