## Home Saver Account

	Rate
Maximum rate	0.95%
Consists of	- base rate 0.05%
	- bonus interest (balances up to \$100,000) 0.90%

**Conditions:** Interest is calculated daily on whole balances and paid monthly. The base rate of interest is payable on the whole balance held in your Home Saver Account. Bonus interest is applied on top of the base rate on balances up to \$100,000 in a calendar month if, prior to the last day of that calendar month:

A. You receive deposits totaling \$2,000 or more by electronic transfer (excluding telegraphic transfer) from a non-GSB account into your Everyday Snap Account/s; and B. At least 5 Visa Debit card purchases have been processed from your Everyday Snap Account/s and are not in pending status (excludes ATM withdrawals, EFTPOS cash out, balance enquiries and Bank@Post transactions).<sup>1</sup>

**Please note:** The interest rate displayed in Mobile Banking is the base rate (unless your account balance is \$0, in which case the interest rate will show as 0.00%). The bonus rate will not be displayed. Your eligibility for bonus interest will be calculated in accordance with the conditions set out in this schedule. Interest rates for other savings products will not be displayed in Mobile Banking.
