On expiry of the Basic Variable interest only period loans will revert to the Basic Variable Principal & Interest Owner Occupier or Investor Reference Rate (as applicable) which applies at the time of expiry, less any discount set out in the loan contract. On expiry of the Offset Variable interest only period, the loan will revert to the Offset Variable Principal & Interest Owner Occupier or Investor Reference Rate (as applicable) which applies at the time of expiry, less any discount set out in the loan contract. Comparison rate for Interest Only loan is based on interest only payments for the fixed term and principal & interest payments for the balance of the term. ² For Construction loans, payments are made on an interest only basis for the first 12 months. After 12 months, the loan will revert to the relevant Principal & Interest Reference Rate (as applicable) which applies at the time of expiry, less any discount set out in the loan contract. ³ Discounts off the Basic Variable and Offset Variable Reference Rates are available to (a) new home loans with a minimum application amount of \$100,000; or (b) switching or restructuring of the home loan you already have with us when it includes new borrowing of at least \$10,000; for new home loan applications unconditionally approved on or after 13/03/2025. Published interest rates are inclusive of any discounts off the respective Reference Rates.
