Prudential Standard APS 330 Remuneration Public Disclosure January 2023

Great Southern Bank has previously complied with the APS 330 Remuneration Public Disclosure. As of January 2023, the standard was updated to apply to all locally incorporated ADIs with the exception of non-significant financial institutions (non-SFIs) and as Great Southern Bank is considered a non-SFI future Remuneration Public Disclosures will be in line with APRA Prudential Standard CPS 511 and CRS 511 Reporting.

Yours sincerely,
